Part X Public Charity Status

Part X is designed to classify you as an organization that is either a **private foundation** or a **public charity**. Public charity status is a more favorable tax status than private foundation status. If you are a private foundation, Part X is designed to further determine whether you are a **private operating foundation**. (See instructions.)

1a Are you a private foundation? If "Yes," go to line 1b. If "No," go to line 5 and proceed as instructed. ☐ Yes ☒ No
If you are unsure, see the instructions.

b As a private foundation, section 508(e) requires special provisions in your organizing document in addition to those that apply to all organizations described in section 501(c)(3). Check the box to confirm that your organizing document meets this requirement, whether by express provision or by reliance on operation of state law. Attach a statement that describes specifically where your organizing document meets this requirement, such as a reference to a particular article or section in your organizing document or by operation of state law. See the instructions, including Appendix B, for information about the special provisions that need to be contained in your organizing document. Go to line 2. ☐

2 Are you a private operating foundation? To be a private operating foundation you must engage directly in the active conduct of charitable, religious, educational, and similar activities, as opposed to indirectly carrying out these activities by providing grants to individuals or other organizations. If "Yes," go to line 3. If "No," go to the signature section of Part XI. ☐ Yes ☐ No

3 Have you existed for one or more years? If "Yes," attach financial information showing that you are a private operating foundation; go to the signature section of Part XI. If "No," continue to line 4. ☐ Yes ☐ No

4 Have you attached either (1) an affidavit or opinion of counsel, (including a written affidavit or opinion from a certified public accountant or accounting firm with expertise regarding this tax law matter), that sets forth facts concerning your operations and support to demonstrate that you are likely to satisfy the requirements to be classified as a private operating foundation; or (2) a statement describing your proposed operations as a private operating foundation? ☐ Yes ☐ No

5 If you answered "No" to line 1a, indicate the type of public charity status you are requesting by checking one of the choices below. You may check only one box.

The organization is not a private foundation because it is:

a 509(a)(1) and 170(b)(1)(A)(i)—a church or a convention or association of churches. Complete and attach Schedule A. ☐

b 509(a)(1) and 170(b)(1)(A)(ii)—a school. Complete and attach Schedule B. ☐

c 509(a)(1) and 170(b)(1)(A)(iii)—a hospital, a cooperative hospital service organization, or a medical research organization operated in conjunction with a hospital. Complete and attach Schedule C. ☐

d 509(a)(3)—an organization supporting either one or more organizations described in line 5a through c, f, g, or h or a publicly supported section 501(c)(4), (5), or (6) organization. Complete and attach Schedule D. ☐

Part X Public Charity Status (Continued)

- e** 509(a)(4)—an organization organized and operated exclusively for testing for public safety. ☐
- f** 509(a)(1) and 170(b)(1)(A)(iv)—an organization operated for the benefit of a college or university that is owned or operated by a governmental unit. ☐
- g** 509(a)(1) and 170(b)(1)(A)(vi)—an organization that receives a substantial part of its financial support in the form of contributions from publicly supported organizations, from a governmental unit, or from the general public. ☒
- h** 509(a)(2)—an organization that normally receives not more than one-third of its financial support from gross **Investment Income** and receives more than one-third of its financial support from contributions, membership fees, and gross receipts from activities related to its exempt functions (subject to certain exceptions). ☐
- i** A publicly supported organization, but unsure if it is described in 5g or 5h. The organization would like the IRS to decide the correct status. ☐

6 If you checked box g, h, or i in question 5 above, you must request either an **advance** or a **definitive ruling** by selecting one of the boxes below. Refer to the instructions to determine which type of ruling you are eligible to receive.

- a Request for Advance Ruling:** By checking this box and signing the consent, pursuant to section 6501(c)(4) of the Code you request an advance ruling and agree to extend the statute of limitations on the assessment of excise tax under section 4940 of the Code. The tax will apply only if you do not establish public support status at the end of the 5-year advance ruling period. The assessment period will be extended for the 5 advance ruling years to 8 years, 4 months, and 15 days beyond the end of the first year. You have the right to refuse or limit the extension to a mutually agreed-upon period of time or issue(s). Publication 1035, *Extending the Tax Assessment Period*, provides a more detailed explanation of your rights and the consequences of the choices you make. You may obtain Publication 1035 free of charge from the IRS web site at www.irs.gov or by calling toll-free 1-800-829-3676. Signing this consent will not deprive you of any appeal rights to which you would otherwise be entitled. If you decide not to extend the statute of limitations, you are not eligible for an advance ruling. ☐

Part IV, Narrative Description of Activities

Washington Square Park Conservancy, Inc. ("WSPC") has as its mission the enhancement and preservation of Washington Square Park (the "Park") in New York City (the "City"). WSPC's purposes are to help ensure that the Park continues as a healthy, vibrant, urban space, and to maximize the enjoyment of the Park for the general public, while respecting the Park's historical role in the City. In particular, WSPC plans to bring physical and horticultural enhancements to the Park, support arts and educational programming for children and others, and encourage community involvement with the Park. WSPC performs an important charitable function and lessens the burdens of government (specifically the City government and the New York City Parks Department (the "Parks Department")) by supplementing and supporting the efforts of the Parks Department through WSPC's involvement in certain day-to-day functions of the Park, its programming of activities for the benefit of Park patrons and the public generally, and the dedication of resources for the preservation and enhancement of these historic public grounds.

The founders of WSPC are in active discussions with City officials to permit WSPC to engage and help fund certain projects and activities to benefit the Park and the public's enjoyment of the Park. This would permit WSPC to supplement the operating budget of the Park with private funds for the greater benefit of the general public. The activities of WSPC are categorized and described in greater detail below.

Strategic Planning and Programming

WSPC plans to work with the Parks Department to develop and implement a strategic plan for the Park and will create and sustain effective collaboration with the Parks Department; other city, state, and federal departments and agencies; elected officials and other community organizations; local businesses and interest groups; and park users generally. In particular, WSPC is working to establish a program to bring theater and performing arts events to the Park. WSPC hopes to use the Park's historic setting as a venue for film festivals, theatrical productions, art exhibits, and other programs for the cultural benefit of Park patrons. WSPC also plans to develop a volunteer program designed to encourage neighborhood involvement and to get students involved in community service.

Operations, Horticulture, and Maintenance

WSPC will assist with both daily operations and long-term planning to ensure that the Park is maintained sustainably and in excellent condition commensurate with the recent renovation undertaken by the City. Additionally, WSPC expects to assist the City with funding for supplemental maintenance, horticulture, public programs, and public safety at the Park. As a specific example, WSPC has already begun exploring options for installing benches, tables, and other outdoor furniture in the Park and increasing the presence of security personnel to enhance public enjoyment of the Park.

Relationship with the City (also relevant to Part V, Lines 6b and 9a, and Part VIII, Line 15)

WSPC expects to extend *ex officio* memberships on the board of directors to certain Parks Department employees, including the Parks Commissioner and the Administrator of Washington Square Park. Accordingly, WSPC expects that it may be party to an agreement or agreements with an organization (namely, the Parks Department) certain employees of which will serve as directors of WSPC. Such *ex officio* memberships shall be compliant with WSPC's conflict of interest policy, which is attached to this application. Any funding generated by any agreements with the Parks Department will not inure to the benefit of any private individual, but will further fund WSPC's efforts to preserve and enhance the Park.

WSPC has created the office of Executive Director, filled by an employee of the City, subject to the approval of the City's Conflicts of Interest Board ("COIB"), who will be primarily responsible for the day-to-day operational management of the Park. WSPC may in the future pay the Executive Director a bonus in addition to the salary he or she receives from the City as compensation for the services rendered to WSPC, subject to the prior approval of the Parks Department and the COIB. Such stipend is not expected to exceed approximately \$25,000, and will be set by the WSPC Board of Directors in its sole discretion at the end of each year based on the performance of the Executive Director over such year at an amount that is reasonable based on relevant market data.

Because (1) WSPC will extend *ex officio* directorships to Parks Department employees, (2) WSPC expects to have in common with the Parks Department certain employees (e.g., the Executive Director), and (3) WSPC expects to address certain projects relating to the upkeep of the Park jointly with the City, WSPC may be considered to have a "close connection" to the City or the Parks Department.

Fundraising (also relevant to Part VIII, Lines 4a,d,e and 11)

WSPC intends to undertake a broad fundraising effort. No such programs are currently in place, but are expected to include personal solicitations, phone solicitations, mail and email solicitations, a website that can accept donations, and the solicitation of grants from private foundations and government entities. It is expected that fundraising activities will be conducted by the directors and employees of WSPC, including the Executive Director. While fundraising activity relating to the Park is largely expected to be conducted in New York, WSPC believes that former Greenwich Village residents and New York University alumni residing all over the country could be a reliable fundraising resource, and will not foreclose the possibility of solicitations in other U.S. jurisdictions. Owing to the Park's status as a destination that attracts tourists from all over the globe, WSPC is open to the possibility of charitable support from the international community, but does not intend to conduct active fundraising programs outside the United States.

In general, WSPC does not have any formal plans to accept in-kind contributions, and has not yet received any in-kind contribution. However, WSPC would accept any contribution that

Washington Square Park Conservancy, Inc.
EIN: 46-1406128

helps WSPC reach its fundraising goals, including contributions of real property. WSPC would accept reasonable restrictions on any such contributions to the extent required by the donor, but only if doing so is consistent with Section 501(c)(3) of the Code.

Benefits to the General Public (also relevant to Part VI, Lines 1 and 3, and Part VIII, Line 13)

In carrying out the exempt purposes pursuant to the programs described above, WSPC may provide goods or services to individuals as part of its programming. Because WSPC is focused on improving the Park for the benefit of the public generally, individuals benefitting from the efforts of WSPC may include family members or business associates of officers and directors of WSPC. However, no individuals holding such a relationship to any officer or director of WSPC will have greater access to the benefits conferred by the efforts of WSPC than any other member of the general public that chooses to enjoy the Park and the programming offered by WSPC.

As the City has done in the past, in connection with its programming efforts, WSPC may provide grants to other nonprofit organizations that provide programming for the Park. No such grants have yet been made or solicited, and no firm plans are currently in place. Records compliant with standard accounting practices will be kept in respect of all such grants. The selection process will be made by the Board of Directors of WSPC, after consideration of the proposed programming activities offered by the nonprofit organization. WSPC will require grant recipients to furnish annually a report describing the use of granted funds.

Intellectual Property (also relevant to Part VIII, Line 10)

WSPC intends to own the intellectual property rights in its corporate logo. It does not expect to own or publish any other intellectual property at this time. WSPC expects that, at some point in the future, it may have items produced that bear the WSPC logo, to be given to donors as gifts or to supplement WSPC's fundraising activity, though no formal plans are currently in place.
